"What we have witnessed early in 2006 starting with the offensive Cartoons published in several European newspapers and the violent reaction by some muslims across the world makes it a duty on every Muslim to help introduce the true picture of the beloved prophet Muhammad (peace be upon him) to the world around us, introduce it the way Islam and The Prophet Muhammad (Peace be Upon Him) taught us to. In the Quran, Islam's revealed text, God states: "Invite (all) to the way of thy Lord with wisdom and beautiful preaching, and argue with them in ways that are best and most gracious: for thy Lord knows best who have strayed from His Path and who receive guidance." (16:125)".

The web site is the front page for the "Know The Prophet Campaign" which is meant to provide information about prophet Muhammad (peace be upon him).

The web site will include (God Willing):
