

KNOW THE PROPHET CAMPAIGN

www.knowTheProphet.com

The Islamic Education & Services Institute have decided a positive response to the cartoons that were published initially in Denmark, and start a year long campaign to get people to know the prophet. The Campaign will consist initially of the following steps (God Willing):

- Launch a web site **www.knowtheprophet.com** dedicated to teach about Prophet Muhammad.
- Start a new free package by mail for non Muslims in the USA entitles "know the prophet" and will include information about the prophet (PBUH).
- Print and distribute flyers & literatures and other publications about the prophet's life (Peace Be upon Him), his sayings and the educated western view of him.
- Host several DVD shows, lectures and events about the prophet (Peace Be upon Him), around once a month.
- Send a package to area libraries, universities, and schools with books and a DVD about the prophet (Peace Be Upon Him) to show to their students.
- Prepare a table display that can be used across the area by any person that wants to tell his group, school, or church about the prophet.
